The Committee also considered the arrangements for Mayor Making.

RESOLVED: That the Town Mayor Elect for 2022-23 is Councillor J. Powell, and the Deputy Town Mayor Elect is Councillor A. Best.

RESOLVED: That Mayor Making takes place at St Michael & St Wulfad's Church during the Civic Sunday Church Service (on 10 July 2022), rather than at the Annual Meeting held in the Council Chamber (on 10 May 2022).

GP22/190 **Town Council Surgeries**

The Committee received a written follow up report on Town Council Surgeries from Councillor Walley which had been enclosed with the agenda for the meeting.

The report followed a Members Motion under Standing Order 4, raised at the General Purposes Committee meeting on 5 October 2021 (Minute Number GP22/095).

The Chairman invited Councillor Walley to address the Committee.

Councillor Walley advised the Committee that since the meeting in October 2021 he had worked on the detail of his idea in consultation with the Town Clerk and proposed that the Town Council hold a series of monthly outdoor 'Resident Engagement Events' in different locations in Stone starting in May 2022 for a period of six months for the purpose of gathering views on local issues and offering residents a means of meeting Town Councillors face to face.

The Committee discussed the proposal and confirmed its interest in improving engagement and communication with members of the public by facilitating the

opportunity for people to talk and to express views about local issues, with surgeries providing a useful means of doing this. It was also recognised that many issues are not under the Town Council's direct control but are national government, County or Borough related.

Town Councillors did however express several concerns about the detail of Councillor Walley's proposal which included:

- The outside environment would not be suitable or comfortable. There is no privacy in the street and people's conversations will be overheard.
- The Council should not expect members of the public to approach them just because they happen to be there in the street.
- Councillor safety could be compromised particularly in the current climate. The wearing of body camera equipment would not prevent attacks or keep Councillors safe.
- The wearing of body camera equipment would be recording personal and private conversations which is not acceptable. It would also appear impersonal and threatening, giving the wrong message to people feeling anxious or vulnerable.
- The whereabouts of Councillors should not be advertised.
- Councillors are already approachable through lots of different modes/methods of communication.
- There are other ways of running surgeries.
- The Fire Station is no longer a community fire station (in respect of offering community rooms for general hire).

The following suggestions were made by the Committee:

- To hold virtual Zoom sessions with individual members of the public and a specific Councillor or a Councillor on surgery duty. Residents could access the technology from their own homes or somewhere convenient to them which may include the library (subject to a private room being available) if they don't have access at home.
- To pursue the original proposal to hold surgeries at the Frank Jordan Centre in a private and comfortable environment.
- To pursue the proposal to hold surgeries at other venues within the various wards.
- That body cams are used but only turned on in the unlikely event that a person's manner or behaviour requires it. Most of the time they would not be needed or used. Data protection would need investigation.
- To increase the visibility of Councillors through the use of 'A Little Bit of Stone' and other social media outlets.
- To offer flexibility and choice in the range of ways that Members of the public can contact Town Councillors. This could encompass all modes of communication and working with partners such as the Church, Community Hub and Age Concern.
- That the logistical arrangements need to be determined including the appointment of Councillors and booking arrangements.

RESOLVED: That the Council hold a monthly surgery at the Frank Jordan Centre for a trial period of three months, followed by a report to the General Purposes Committee on the long-term proposals for Councillor surgeries.

* Items marked with an asterisk refer to reports or papers circulated with the agenda or distributed at the meeting. They are attached as an appendix to the signed copy of the Council minutes.

RESOLVED: That the Town Clerk works in consultation with the Chairman of the General Purposes Committee and Councillor Walley on the arrangements for the surgeries and a suitable start date.

GP22/191 National Pay Award 2021-22

The Committee considered the report* of the Town Clerk informing the outcome of the 2021-22 national pay award negotiations for local government staff and its impact on the Council.

The Town Clerk advised the Committee that this was the pay award from April 2021 which related to staff on the National Association of Local Councils (NALC) terms and conditions of employment.

RESOLVED: That the Committee adopts the new 2021-22 salary levels for staff on national pay scales as set out in the report.

RESOLVED: To exclude the Press and Public from the next items of business.

ATTENDANCE BY COUNCILLORS WHO ARE NOT MEMBERS OF THE WORKING GROUP

- 11.8 Any member of the Council who is not a member of a working group may attend a meeting and may speak on any item if invited by the group. Such a member should not take part in the formulation of the group’s recommendations.
- 11.9 The requirements of the Council’s Code of Conduct will apply to everyone present at a meeting, whether members of the working group or not.

ATTENDANCE BY THE GENERAL PUBLIC

- 11.10 Working group meetings will not be open to the public.

FREQUENCY OF MEETINGS

- 11.11 Working groups will arrange their own meeting timetable, in order to meet any reporting requirements placed upon them by their parent body.

AGENDA AND PROCEEDINGS

- 11.12 The calling of meetings, booking of venues, preparation of agendas and minutes etc. will not be undertaken by the Town Council's staff. Attendance of Town Council staff at working groups will be on an exceptional basis, if their expertise may be required to inform the group's discussions.
- 11.13 There is no requirement for either a formal agenda or minutes, but if a working group wishes to prepare these it will be a matter for the group's members. Working group minutes will not form part of the official minutes of the Council.
- 11.14 The provisions of the Council's Standing Orders for Business shall not apply to meetings of working groups.

REPORTING

- 11.15 Working groups have no powers to make any decision or to act in any way on behalf of the Council.
- 11.16 At each meeting of its parent body, the nominated representative of each working group will be expected to report on the work of the group, and to present any recommendations. Such recommendations will not be considered by the parent body without a full written report circulated with the meeting agenda and setting out the nature of the recommendations and their implications for the Council.

FUNCTIONS

- 11.17 The function of each working group is to give a level of in-depth consideration to specific issues beyond that which would normally be possible in larger forums such as a committee or sub-committee, and to make recommendations to their parent body accordingly.

RELATIONSHIP WITH OTHER WORKING GROUPS

- 11.18 Where the terms of reference of individual working groups may overlap, it is the responsibility of the parent body to provide clarification. Where this overlap applies to working groups appointed by different parent bodies this responsibility will fall to the General Purposes Committee.
