

## **PRESS RELEASE**

### **Saint George's Day Event 22<sup>nd</sup> April 2023**

Stone Town Council will again be celebrating Saint George's Day with a fun, family event by bringing medieval knights into the town on Saturday 22<sup>nd</sup> April 2023.

The event will start with a parade at 12:00pm down the High Street to Market Square led by Saint George, which children are invited to join. If your children want to join the parade with the knights then please meet at 11.50 am around the back of the Stone Town council building in Station Road.

After the parade, the Black Knights will fight Saint George and his men in front of the assembled crowd.

There will be an opportunity to experience the weapons and talk to the knights about them, and a children's medieval fancy dress competition themed on knights, damsels and dragons, with a £25 prize for the best fancy dress.

In addition to the event there will also be the usual town market at the upper end of the High Street.

Cheer for Saint George as he battles for England against the Black Knights in this popular event in the Market Square, and bring your children dressed as knights, damsels or dragons to get into the spirit of the event and possibly win a prize.
