

TOWN MAYOR'S REPORT – 5 Mar 24

Saturday 17 Feb 24

It was a particular pleasure for the Mayor and Mayoress to attend the Stone Lions Club Annual Charter Dinner and to congratulate them on reaching their 45th anniversary. The Mayor had joined the Lions during the past year at a number of events in the Town and expressed his appreciation of the wonderful work they had done in and around the Town in so many ways.

Sunday 18 Feb 24

The links with our nearby councils were further strengthened when the Mayor and Mayoress attended the Curry Night held by the Chairman of Staffordshire Moorlands Council in Leek. They were joined by civic heads from Tamworth, East Staffordshire, Biddulph and East Cheshire.

Tuesday 20 Feb 24

It had proved difficult to schedule a convenient date for the Mayor and Mayoress to host a visit by the Aston & Little Stoke Scouts to the Council Chamber. However, a space in the diary was found and a large group attended; both the scouts, and their adult supervisors, were fascinated to learn more about the Council and the history of the local area.
