

The Town Clerk advised the Committee that the Town Council supported a number of lighting pillars in the town and the annual costs of maintaining them had been included in the payments list.

**GP24/183 Update from Working Groups:**

**Stone Heritage Centre Steering Group**

Councillor Kenney advised the Committee that no meeting had taken place.

**Engagement with Young People**

Councillor Dawson advised the Committee that she had nothing to report on this occasion.

**50<sup>th</sup> Anniversary of Stone Town Council**

Councillor Davies informed the Committee that his was looking to co-ordinate the marking of the Town Council's 50<sup>th</sup> Anniversary with the opening of the Heritage Centre.

**GP24/184 To receive reports from Town Councillors on attendance at meetings of local organisations and outside bodies as a representative of the Town Council**

**Stone Area Parish Liaison Group**

Councillor Davies advised the Committee that a meeting would be arranged soon.

**Stone ATC**

Councillor Davies advised the Committee that no meeting had taken place since the welfare meeting of Stone ATC on 6 February 2024.

**Age Concern Stone & District**

Councillor Thornicroft advised the Committee that a meeting was scheduled on Friday 8 March 2024.

**Stafford & Stone Access Group**

Councillor Kelt informed the Committee that a meeting had taken place on 26 February 2024 which was attended by representatives from Stafford Gatehouse Theatre. He said there were some issues with the seating arrangements in the little theatre making access difficult for less able people (for various reasons) and there were health and safety concerns. Different options were considered but changes were unlikely as the seating was newly installed.

The group was still looking at the Best Toilet Awards in the Borough.

**Stone Common Plot Trustees**

Councillor Hood advised the Committee that a recent meeting had taken place but she was unable to attend.

**Stone Community Hub Liaison Group**

Councillor Hood advised the Committee that the Liaison Group were considering a suitable date for a meeting.

**SPCA Executive Committee**

Councillor Kelt advised the Committee that he was not aware that any recent meeting had taken place.

### **Stone Traders Group Directors' Meeting**

Councillor Hood advised the Committee that no meeting had taken place.

### **West Midlands Railway and other rail matters**

Councillor Kelt advised the Committee that this was a new item on the agenda to enable the reporting to the Council of important issues raised by regular railway and stakeholder meetings.

Councillor Kelt reported on a meeting that has taken place in February 2024 between West Midlands Trains/London Northwestern Railway and the stakeholders.

He said that attendees had considered how the new timetable scheduling introduced in December 2023 was performing. The main concerns expressed were that passengers to Birmingham must now change at Stafford to the Cross-Country Service. The delay that used to exist when it was just West Midlands Trains has been reduced but in one direction the six-minute change over across the footbridge could become problematic. When queried the train operating company were unwilling to discuss the issue because they had discussed it many times before and nothing had changed.

Councillor Kelt advised the Committee that other service improvements were in the pipeline but there was no date given or assurances they would happen. This included reopening stations at Barlaston, Wedgwood and Trentham which could bring about another look at direct journeys to Birmingham because there will be more interest from members of the public wanting to take trains from these stations.

Councillor Kelt informed the Committee that the next meeting would be held on 14 May 2024, and that a Stone Station Open Day would be taking place on 13 March 2024 where everyone was welcome to attend.

### **GP24/185 Exclusion of the Press and Public**

**To resolve, pursuant to the Public Bodies (Admission to Meetings) Act 1960, that the Public and Press be excluded from the meeting whilst the next items of business are discussed on the grounds that publicity would be prejudicial to public interest by reason of the confidential nature of the debate.**

RESOLVED: To exclude the Press and Public from the next items of business.

### **GP24/186 Confidential Minutes**

RESOLVED:

That the Confidential Minutes of the General Purposes Committee meeting held on 6 February 2024, Minute Numbers GP24/151, GP24/161 and GP24/162 be approved.

**CHAIRMAN**

# Stone Town Council – Tourism & Town Promotion Sub-Committee

**TTP24/041** Minutes of Previous Meeting

The minutes of the Tourism & Town Promotion Sub-Committee meeting held on 16 January 2024 (Minute Numbers TTP24/026– TTP24/036), were approved as a correct record.

**TTP24/042** Calendar of Events

The Sub-Committee considered the Town Council's Calendar of Events for 2024-25 and gave updates on events that had taken place:

---

\* Items marked with an asterisk refer to reports or papers circulated with the agenda or distributed at the meeting. They are attached as an appendix to the signed copy of the Council minutes.

## 2024 – Events taken place

- Texas Flag Raising (Saturday 2 March 2024)  
Councillor Davies advised the Sub-Committee that the event had been well supported by Florence Brass Band and well attended by members of the public.

## 2024 – Upcoming/Agreed

- The Town Council's 50th Anniversary (Monday 1 April 2024)  
Councillor Davies advised the Sub-Committee that the 50<sup>th</sup> Anniversary of Stone Town Council would be marked with a theme at the Heritage Centre. He said he was considering inviting former staff of Stone Urban District Council and Stone Rural District Council (at the time of change of governance), to the Council Chamber to share recollections of this period.
- St George's Day Re-enactment (Saturday 20 April 2024)  
The St George's Day Re-enactment team were booked ready to deliver their jousting performance in Stone.
- Floating Market (provisionally 25, 26, 27 May 2024)  
No news had come back from the organiser, but it was hoped the Floating Market would take place during the late May Bank Holiday weekend.
- 80th Anniversary of the D-Day Landings (Thursday 6 June 2024)  
Councillor J. Davies advised the Sub-Committee that the working group wished to purchase the specially designed flag for flying on the flagpole to mark the 80<sup>th</sup> Anniversary of the D-Day Landings. He said that Councillor Leason was arranging a church service to commemorate the occasion.

The Chairman invited Councillors to volunteer to the 80<sup>th</sup> Anniversary Working Group to boost its current number of one.

Councillors L. Davies, J. Hood and R. Townsend agreed to join Councillor J. Davies. It was suggested that, in his absence, Councillor Leason was also invited to attend meetings.

- Puppet Tree Jamboree (29 June 2024)  
The Chairman advised the Sub-Committee that the Puppet Tree Jamboree founder was working enthusiastically to organise his event on 29 June and had already secured schools and the Scout & Guide Band to play a part in the programme.
- Classic Car Event (provisionally 27 July 2024)  
The Chairman advised the Sub-Committee that the Classic Car event would be held in July rather than September this year to avoid clashes with another event.

---

\* Items marked with an asterisk refer to reports or papers circulated with the agenda or distributed at the meeting. They are attached as an appendix to the signed copy of the Council minutes.

- Music Festival (31 August 2024)  
The Chairman advised the Sub-Committee that the Marketing and Events Co-ordinator was working hard to secure bands to perform at the music festival. She said she hoped the Town Council would have an opportunity to incorporate into the festival programme the Olympic successes of local athletes where their achievements could be showcased and celebrated.
- Florence Brass Band Concert & Burma Star Commemoration (18 August 2024)  
The Chairman advised the Sub-Committee that the Marketing and Events Organiser had arranged to meet the new Secretary of Florence Brass Band to discuss the programme for the concert in Stonefield Park. An ice cream van and cream teas would be incorporated into the itinerary.
- Remembrance Commemorations (10 and 11 November 2024)  
The Sub-Committee expressed its commitment to appropriately marking the Remembrance commemorations in the town on Remembrance Sunday and Armistice Day on the 10<sup>th</sup> and 11<sup>th</sup> November.

Questions were raised about the organisation of poppy sales as last year they had been sparse. Councillor Davies said he had contacts at the Royal British Legion Stafford Branch who would hopefully support Stone if needed.

- Christmas Lights Switch-On (Thursday 21 November 2024)  
The proposed date for the event was set and the arrangements were in the planning.

The Chairman asked that an early check is undertaken on the lights on Walton Roundabout to identify any faults that might jeopardise the display.

- Texas Flag Raising, marking the anniversary of Texas joining the Union on 29 December 1845 (Sunday 29 December 2024)

This event would proceed as normal.

- Consideration of an alternative free event to Stone by the Sea  
The Chairman advised the Sub-Committee that Mr Leech of (Puppet Tree Jamboree) had taken her to visit Everything Circus in Newcastle under Lyme. She said the venue was like being in a Big Top and prompted her to wonder whether a group of circus performers would consider entertaining the children of the town, in the High Street. The Sub-Committee agreed that enquiries should be made.

- Provisional new events in 2024 (Vegan Market, Cycle Race, Antiques Market)  
The Chairman confirmed that the proposed Cycle Race and Antiques Market would not be taking place in 2024 but was looking hopeful for 2025.

The organiser of the Vegan Market had been asked to consider whether the market could be held on the same day as the Puppet Jamboree and the Town Clerk was waiting to know whether this was agreeable.

---

\* Items marked with an asterisk refer to reports or papers circulated with the agenda or distributed at the meeting. They are attached as an appendix to the signed copy of the Council minutes.

- Any other suggested new events for 2024 and 2025

The Chairman invited new ideas for events and Councillor Townsend informed the Sub-Committee that he had attended the opening of a successful Arts Council funded event in Cheadle last week. The event was staged by an organisation called 'Outside', a Staffordshire Moorlands based community arts programme. He said that representatives of Outside didn't see any reason why they couldn't come across the border to work with Stone Town Council.

#### **TTP24/043 Friendship Agreement with Bagnacavallo**

The Sub-Committee considered the future of the Friendship Agreement with Bagnacavallo in Northern Italy.

The Chairman invited Councillor Davies to address the Sub-Committee.

Councillor Davies described Bagnacavallo as a delightful old papal town with lots of similarities to Stone and a good place for Stone to commit to its friendship twinning. The relationship did not constitute a formal twinning but a friendship twinning at minimum cost to the Council and no budget was needed.

He explained how Stone's friendship twinning with Bagnacavallo had come about 20 years ago through the development of a relationship between Biddulph and the nearby Italian town of Fusignano and was promoted by Italian people living locally to Stone. Following the exchange of visits between the people of Bagnacavallo and the people of Stone, and subsequent signing of agreements on both sides, the friendship was operated via the Stone Twinning Committee.

Councillor Davies expressed his view that the Town Council now needed to update its friendship connections with Bagnacavallo as the Twinning Committee, later called Friends of Bagnacavallo, now appeared to be inactive. As Stone Town Council had given authority to the Twinning Committee to manage the friendship, Bagnacavallo felt it had no option than to deal with the Committee and not the Town Council.

Councillor Davies said that he and Councillor L. Davies were in touch with some people in Bagnacavallo and had maintained their contacts. He said the two towns had a good relationship and it was frustrating the friendship could not be developed further because of the apparent inactivity of the Twinning Committee. Councillor Davies advised the Sub-Committee that the Chairwoman of the Association Amici di Neresheim had confirmed that whilst she had received informal contact from individuals on the Friends of Bagnacavallo Committee, there had been no formal contact with the body.

Councillor Davies proposed the Sub-Committee recommend to the General Purposes Committee that the Town Council restate its friendship with Bagnacavallo and ask that future communications are sent directly to Stone Town Council.

---

\* Items marked with an asterisk refer to reports or papers circulated with the agenda or distributed at the meeting. They are attached as an appendix to the signed copy of the Council minutes.

The Sub-Committee agreed that it should contact the Twinning Committee chairman, Mr Guiseppe Termine, to establish whether the organisation was still operating prior to the Town Council determining how to proceed.

RECOMMENDED: That the Town Council re-affirms its commitment to the friendship agreement between Stone and Bagnacavallo and seeks clarification of the current status of the activities of the 'Friends of Bagnacavallo' group (Stone Twinning Committee) under this agreement.

**TTP24/044 Reports from Working Groups**

The Chairman invited representatives from each Working Group to address the Sub-Committee:

**Remembrance Plaques Working Group**

Councillor L. Davies advised the Sub-Committee that the project was at a point where the costings could be calculated. No timescales for installing the plaques had been set.

**Market Strategy Working Group**

The Chairman reported that no meeting of the Market Strategy Working Group had taken place.

**D-Day 80 (Thursday 6 June 2024)**

A report on the commemoration had been given earlier in the meeting.

**TTP24/045 Exclusion of the Press and Public**

**To resolve, pursuant to the Public Bodies (Admission to Meetings) Act 1960, that the Public and Press be excluded from the meeting whilst the next items of business are discussed on the grounds that publicity would be prejudicial to public interest by reason of the confidential nature of the debate.**

RESOLVED: To exclude the Press and Public from the next item of business.

**TTP24/046 Confidential Minutes**

RESOLVED:

That the Confidential Minutes of the Tourism & Town Promotion Sub-Committee, held on 16 January 2024 (Minute Numbers TTP24/026 and TTP24/036), be approved as a correct record.

**ENV24/041 Minutes of Previous Meeting**

The minutes of the Environment Sub-Committee meeting held on 16 January 2024 (Minute Numbers ENV24/030 – ENV24/036), were approved as a correct record.

**ENV24/042 Environmental Sub-Committee Works Update**

The Chairman drew the Sub-Committees attention to the Works Update which had been enclosed with the agenda for the meeting. He provided an update on the following items:

#### Meeting with Grounds Maintenance Contractor

A meeting took place in March between the Grounds Maintenance Contractor, Town Clerk and Deputy Town Clerk.

The Grounds Maintenance Contractor has been seriously hampered by the wet weather and poor ground conditions but was aware of the jobs the Town Council were requiring.

#### Hedgerow

The ground was currently too wet to commence planting of the new hedgerow.

#### Climate

Councillor Hood drew attention to the effects of recent flooding and ground saturation on Crown Meadow, in particular that the pathway crossing the field has frequently been underwater. The Chairman added that the submerged pathway was causing walkers to circumnavigate the flooding which is causing damage and mud.

The Sub-Committee expressed concern about the effects of the growing wet weather conditions on Crown Meadow and the need to consider how to manage increasingly saturated ground and its effects in the future. It was acknowledged that thought needed to be given to developing a contingency plan for the effects of flooding.

#### Drug Paraphernalia

Councillor Mrs Hood informed the Sub-Committee about her concerning find of drug paraphernalia when accompanying a group of school children to Crown Meadow to litter pick this week. The debris was located around the amphitheatre bench which was noted.

### **ENV24/043 Crown Meadow Update**

The Chairman provided an update on Crown Meadow:

#### Crown Meadow Volunteers

Volunteers met for the first time after delays caused by prolonged wet weather conditions. Five Councillors joined forces (two weeks ago) for a couple of hours to litter pick and remove fly tipped debris. The removal of fly tipped debris was a heavier duty job and there was still more to do.

The Chairman thanked those who attended the session for their support and said that more volunteer sessions will be organised for litter picking and grounds maintenance in collaboration with the council's contractor.

#### Publicity and Information Sharing

The need had been identified to improve communication and awareness of Crown Meadow, the work done there and how the town's money had been spent.

The Chairman said that he had recruited the services of Dr David Emley, a renowned naturalist and photographer, who had volunteered his time to report on and photograph flora, fauna and anything related to the natural environment on Crown Meadow. The material he produces will be used to add content and interest to the Town Council's website, postings on the Town Council's Facebook page and information releases. The Chairman noted that work on this will progress with the office at a manageable pace and with the limited human resources in mind.

#### **ENV24/044 Reports of Working Groups**

##### Environmental Working Group

The Chairman invited Councillor Kelt to address the Sub-Committee.

Councillor Kelt advised the Sub-Committee that he had attended a meeting of the Stafford Board Community Panel on 5 February 2024. The subjects under discussion were:

- Sustainability Stafford (a new event to be held as part of the Big Green Week from 8 to 16 June, highlighting Community Council actions to address the Borough's Climate Change and Green Recovery targets)
- Nature Recovery Strategy (which is being developed by Stafford Borough Council's Ecologist. All District and Parish Councils along with the Staffordshire Wildlife Trust will be involved in this strategy).
- Funding from last year's Biodiversity Net Gain Award (£250,000 is available this financial year to support the development).
- Mowing Regime Bee Friendly Status (which will be driven across the Borough).
- Local Energy Production (involving possible installation of solar panels at scale on large roofs).
- Repair Cafes (which continue to operate).

The next meeting will be held on 25 March 2024.

Councillor Kelt advised the Sub-Committee that he had also attended the Stafford and Stoke on Trent COP – Celebration of the Possible on 15 March 2024.

This was the first event of the group which was run by the Globe Group (related to the Climate Expo). The group brings together various organisations interested in climate and environmental action and solution providers. The event introduced the concept of 'donut economics' which was interesting as a macro concept.

Councillor Kelt said he had met many contacts including someone who was working with Stone schools on environmental matters (more on a therapy

basis). This was interesting given the Town Council's contact with schools and not getting very much interest in response.

The Chairman suggested the Sub-Committee discuss whether any of these things could be supported and used by the Town Council.

Councillor Kelt said that he would consider whether there were, although he believed the higher tiers of local government would take forward the work.
