The Town Clerk reported that the National Association of Local Councils (NALC) had issued a new set of Model Financial Regulations and after reviewing the Town Council's current set against the model set concluded that the current financial regulations were more appropriate/suitable for the activities of a larger local council and should be maintained with amendments (as above) rather than be replaced.

An updated copy of the document* had been attached to the agenda for the meeting.

RESOLVED: To accept the Town Council Scheme of Participation with amendments made by the Town Clerk.

GP25/152 Review of Staffing Guidelines

The Committee undertook to review the Council's Staffing Guidelines.

The Guidelines had been reviewed by the Town Clerk, who made changes to clarify that in considering national pay awards, regard needs to be given to employees existing contracts of employment, to authorise the Town Clerk to implement nationally agreed changes to the living/minimum wage, and to remove reference to public sector exit payment caps, which were never implemented nationally.

9 WORKING GROUPS (ALL)

PURPOSE

- 9.1 The purpose of each Council working group is to give a level of in-depth consideration to specific issues beyond that which would normally be possible in larger forums such as a committee or sub-committee, and to make recommendations to their parent body (committee or sub-committee) accordingly.
- 9.2 In most cases, working groups should operate on a “task and finish” basis.

MEMBERSHIP AND APPOINTMENT

- 9.3 Working group numbers are not prescribed, but groups are unlikely to be effective with less than three or more than five members.
- 9.4 Working group members are appointed by the parent body that requires the in-depth consideration to be undertaken, and may be drawn from the membership of the Town Council. The Town Mayor and Chairman of the General Purposes Committee are ex-officio members of all working groups.
- 9.5 The working group or parent body may make recommendations for the co-option of non-Councillor members to the working group due to the particular expertise they are able to offer. All such appointments will require the approval of the General Purposes Committee, and all co-opted members will be required to comply with the Council’s code of conduct.

CHAIRMAN AND VICE CHAIRMAN

- 9.6 Working groups will determine their own chairmanship arrangements, and need not appoint a chairman or vice. The parent (sub-)committee will, however, identify a Councillor member of the group who is also a member of the parent body to act as the working group “co-ordinator”. This co-ordinator will have responsibility for arranging meetings and reporting back to the parent body on the work of the group.

QUORUM

- 9.7 As working groups have no decision making powers, there is no requirement for quoracy.

ATTENDANCE BY COUNCILLORS WHO ARE NOT MEMBERS OF THE WORKING GROUP

- 9.8 Any member of the Council who is not a member of a working group may attend a meeting and may speak on any item if invited by the group. Such a member should not take part in the formulation of the group’s recommendations.

- 9.9 The requirements of the Council's Code of Conduct will apply to everyone present at a meeting, whether members of the working group or not.

ATTENDANCE BY THE GENERAL PUBLIC

- 9.10 Working group meetings will not be open to the public.

FREQUENCY OF MEETINGS

- 9.11 Working groups will arrange their own meeting timetable, in order to meet any reporting requirements placed upon them by their parent body.

AGENDA AND PROCEEDINGS

- 9.12 The calling of meetings, booking of venues, preparation of agendas and minutes etc. will not be undertaken by the Town Council's staff. Attendance of Town Council staff at working groups will be on an exceptional basis, if their expertise may be required to inform the group's discussions.
- 9.13 There is no requirement for either a formal agenda or minutes, but if a working group wishes to prepare these it will be a matter for the group's members. Working group minutes will not form part of the official minutes of the Council.
- 9.14 The provisions of the Council's Standing Orders for Business shall not apply to meetings of working groups.

REPORTING

- 9.15 Working groups have no powers to make any decision or to act in any way on behalf of the Council.
- 9.16 At each meeting of its parent body, the working group co-ordinator will be expected to report on the work of the group, and to present any recommendations. Such recommendations will not be considered by the parent body without a full written report circulated with the meeting agenda and setting out the nature of the recommendations and their implications for the Council.

FUNCTIONS

- 9.17 The function of each working group is to give a level of in-depth consideration to specific issues beyond that which would normally be possible in larger forums such as a committee or sub-committee, and to make recommendations to their parent body accordingly.

RELATIONSHIP WITH OTHER WORKING GROUPS

- 9.18 Where the terms of reference of individual working groups may overlap, it is the responsibility of the parent body to provide clarification. Where the overlap applies to working groups appointed by different parent bodies this responsibility will fall to the General Purposes Committee.

Introduction

1. This report reviews the Council's current Standing Orders and Financial Regulations and makes recommendations for changes, where necessary.
2. In accordance with normal practice, this report should stand deferred at today's meeting and be considered in full at the May 2025 meeting of the Committee, to allow Committee Members sufficient time to consider the documents as a whole and the changes proposed in this report.

Standing Orders

3. The Council's Standing Orders were last reviewed by the Committee in April 2024. Since then the only item that has changed sufficiently to prompt a change in the document is the replacement of the Public Contracts Regulations 2015 with the Procurement Act 2023, the main provisions of which came into force in February 2025.
4. A copy of the proposed updated Standing Orders is attached to this report. All proposed changes have been marked using the Microsoft Word "track changes" facility.
5. The changes related to procurement are included in Section 19 of the regulations. There are a number of other small changes proposed to improve drafting or add clarity which are also marked in the attached document.
6. The Committee is asked to consider the updated Standing Orders for adoption, subject to any further changes that may be suggested by the Committee.

Financial Regulations

7. The Council's Financial Regulations were last reviewed by the Committee in April 2024, though in October 2024 the new NALC set of model Financial Regulations were presented to the Committee for information. As part of this year's review, the provisions of the new NALC model regulations, have been considered. A further copy of these model regulations is attached to this report.

8. Following a full review of the new regulations, it is my view that they should not be adopted by the Council, and that the current regulations should continue to be used, subject to the changes proposed later in this report.
9. Much of the new regulations document is procedural, rather than just setting out rules, and those procedures seem much more aligned to the needs of a small parish than a town council the size of Stone. In my view the adoption of these, or similar, procedures would be administratively inefficient for the Council, and would significantly increase Councillor involvement in administrative tasks.
10. I would, however, encourage Committee Members to read the new regulations and compare them to the updated regulations (also attached) that I am proposing for adoption. The Committee needs to be satisfied that financial controls are appropriate and meet their needs.
11. The attached draft Financial Regulations have been updated for the requirements of the Procurement Act 2023, with the changes shown as “tracked” in the same way as for Standing Orders. These changes are included in Section 10 of the Regulations.
12. There are also a number of other small changes proposed to improve drafting or add clarity which are marked in the updated Regulations.
13. The Committee is asked to consider the updated Financial Regulations for adoption, subject to any further changes that may be suggested by the Committee.

Recommendations

14. The Committee is asked to:
 - a. At today’s meeting – defer this item for consideration at the next ordinary meeting of this Committee in May.
 - b. At the next ordinary meeting of this Committee in May – to consider the proposed updated Standing Orders and Financial Regulations for adoption, subject to any further changes agreed by the Committee.

1 GENERAL

- 1.1 These standing orders govern the conduct of the business of the Council and may only be amended or varied by resolution of the Council¹.

- 1.3 All or part of a standing order, except one that incorporates mandatory statutory requirements, may be suspended by resolution **at the meeting** in relation to the consideration of an item on the agenda **for a meeting**. *(NOTE: Where a standing order incorporates a mandatory statutory requirement, the requirement and the circumstances in which the requirement applies is indicated in brackets following the relevant standing order below. This does not indicate that the application of the standing order is limited only to those circumstances, but just indicates the extent to which the standing order can be suspended by this provision).*
- 1.4 A motion to add to or vary or revoke one or more of the Council's standing orders, except one that incorporates mandatory statutory requirements, shall be proposed by a special motion, the written notice by at least three councillors to be given to the Proper Officer in accordance with standing order 10 below.
- 1.5 The Proper Officer shall provide a copy of the Council's standing orders to a Councillor as soon as possible after they have delivered their acceptance of office form.
- 1.6 The decision of the chairman² of a meeting as to the application of standing orders at the meeting shall be final.

2 RULES OF DEBATE AT MEETINGS

- 2.1 Items on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chairman of the meeting.
- 2.2 A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- 2.3 A motion on the agenda that is not moved by its proposer will be treated by the chairman of the meeting as withdrawn.

¹ All references to "the Council" in this document shall also be considered to refer to the General Purposes Committee for functions which have been delegated to that Committee.

² All references to "Chairman" and "Vice-Chairman" shall be considered to refer to the Town Mayor and Deputy Town Mayor in respect of a full Council meeting unless specifically stated otherwise.

- 2.4 If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder.
- 2.5 The mover of a motion shall have a right to reply, not exceeding five minutes, at the conclusion of the debate immediately before the motion is put to the vote. No further debate shall take place once this right to reply has been exercised.
- 2.6 An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- 2.7 If an amendment to the original motion is carried, the amendment becomes the substantive motion upon which further amendment(s) may be moved.
- 2.8 An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chairman of the meeting, is expressed in writing to the chairman.
- 2.9 A councillor may make an amendment to their own motion. If a motion has already been seconded, the amendment shall require the consent of the seconder.
- 2.10 Subject to standing order 2.11 below, if there is more than one amendment to an original or substantive motion only one amendment shall be moved and debated at a time, in the order directed by the chairman of the meeting.
- 2.11 In exceptional circumstances, several amendments may be discussed together if the chairman of the meeting considers this expedient but each amendment shall be voted upon separately.
- 2.12 A councillor may not move more than one amendment to an original or substantive motion.
- 2.13 The mover of an amendment has no right of reply at the end of debate on it.
- 2.14 Where a series of amendments to an original motion are carried, the mover of the original motion shall have a right of reply either at the end of debate on the first amendment or at the very end of debate on the final substantive motion immediately before it is put to the vote.
- 2.15 Unless permitted by the chairman of the meeting, a councillor may speak once in the debate on a motion except:
- a. to speak on an amendment moved by another councillor;
 - b. to move or speak on another amendment if the motion has been amended since they last spoke;
 - c. to make a point of order;
 - d. to give a personal explanation; or
 - e. in exercise of a right of reply.
- 2.16 During the debate of a motion, a councillor may interrupt only on a point of order or a personal explanation and the councillor who was interrupted shall stop speaking. A councillor raising a point of order shall identify the standing order which they consider has been breached or specify the other irregularity in the proceedings of the meeting they are concerned by.

- 2.17 A point of order shall be decided by the chairman of the meeting, whose decision shall be final.
- 2.18 When a motion is under debate, no other motion shall be moved except:

1 GENERAL

- 1.1 These regulations govern the conduct of the financial activities of the Council and may only be amended or varied by resolution of the Council or the General Purposes (GP) Committee¹.
- 1.2 Should there be a clash between the provisions of this document and those within other documents which prescribe the activities of the Council, the order of precedence shall be:
 - a. National Legislation
 - b. The Council's Standing Orders
 - c. Financial Regulations (this document)
 - d. All other documents
- 1.3 The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.
- 1.4 The council's accounting control systems must include measures:
 - a. for the timely production of accounts;
 - b. that provide for the safe and efficient safeguarding of public money;
 - c. to prevent and detect inaccuracy and fraud; and
 - d. identifying the duties of officers.
- 1.5 These financial regulations demonstrate how the council meets these responsibilities and requirements.
- 1.6 Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.
- 1.7 Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.
- 1.8 The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. The Town Clerk shall be the Council's Responsible Financial Officer (RFO), and as such shall be responsible for the proper administration of the Council's financial affairs.

¹ All references to "the Council" in this document shall also be considered to refer to the General Purposes Committee for functions which have been delegated to that Committee.

The terms “Town Clerk” and “RFO” are, however, used separately throughout this document to allow for a situation where this may not be the case.

- 1.9 The Town Clerk and/or RFO may delegate items ascribed to them within this document to another employee, but will still remain accountable to the Council for those items.
- 1.10 The RFO;
- a. acts under the policy direction of the council;
 - b. administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
 - c. determines on behalf of the council its accounting records and accounting control systems;
 - d. ensures the accounting control systems are observed;
 - e. maintains the accounting records of the council up to date in accordance with proper practices;
 - f. assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
 - g. produces financial management information as required by the council.
- 1.11 The accounting records determined by the RFO shall be sufficient to show and explain the council’s transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time comply with the Accounts and Audit Regulations.
- 1.12 The accounting records determined by the RFO shall in particular contain:
- a. entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
 - b. a record of the assets and liabilities of the council; and
 - c. wherever relevant, a record of the council’s income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.
- 1.13 The accounting control systems determined by the RFO shall include:
- a. procedures to ensure that the financial transactions of the council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
 - b. procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;

- c. identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
 - d. procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the council for approval to be written off except with the approval of the RFO and that the approvals are shown in the accounting records; and
 - e. measures to ensure that risk is properly managed.
- 1.14 The council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular, any decision regarding:
- a. setting the final budget or the precept (council tax requirement);
 - b. approving accounting statements;
 - c. approving an annual governance statement;
 - d. borrowing;
 - e. writing off bad debts;
 - f. declaring eligibility for the General Power of Competence; and
 - g. the consideration of any report from the Council's internal or external auditors,
- shall be a matter for the full council only.
- 1.15 In these financial regulations, references to the Accounts and Audit Regulations or 'the regulations' shall mean the regulations issued under the provisions of section 27 of the Audit Commission Act 1998, or any superseding legislation, and then in force unless otherwise specified.
- 1.16 In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners' Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

2 ACCOUNTING AND AUDIT (INTERNAL AND EXTERNAL)

- 2.1 All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations, appropriate guidance and proper practices.
- 2.2 The RFO shall complete the annual statement of accounts, annual report, and any related documents of the council contained in the Annual Return (as specified in proper practices) as soon as practicable after the end of the financial year and having certified the accounts

shall submit them and report thereon to the council within the timescales set by the Accounts and Audit Regulations.

- 2.3 The council shall ensure that there is an adequate and effective system of internal audit of its accounting records, and of its system of internal control in accordance with proper practices. Any officer or member of the council shall make available such documents and records as appear to the council to be necessary for the purpose of the audit and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary for that purpose.
- 2.4 The internal auditor shall be appointed by and shall carry out the work in relation to internal controls required by the council in accordance with proper practices.
- 2.5 The internal auditor shall:
- a. be competent and independent of the financial operations of the council;
 - b. report to council in writing, or in person, on a regular basis with a minimum of one annual written report during each financial year;
 - c. ~~to~~ demonstrate competence, objectivity and independence, be free from any actual or perceived conflicts of interest, including those arising from family relationships; and
 - d. have no involvement in the financial decision making, management or control of the council.
- 2.6 Internal or external auditors may not under any circumstances:
- a. perform any operational duties for the council;
 - b. initiate or approve accounting transactions; or
 - c. direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the ~~internal~~ auditor.
- 2.7 For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as is described in proper practices.
- 2.8 The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and statements of account required by Audit Commission Act 1998, or any superseding legislation, and the Accounts and Audit Regulations.
- 2.9 The RFO shall, without undue delay, bring to the attention of all councillors any report from internal or external auditors.

Each Sub-Committee shall be asked to formulate its proposed budget for the next three years based on policy guidelines determined by the GP Committee, and to submit these proposals to the Committee for further consideration.
- 3.3 After considering the Sub-Committees' proposals, the GP Committee shall determine a balanced and affordable budget to be recommended to the Council for the following three financial years.
- 3.4 The Council shall review the GP Committee's recommendations not later than the end of February each year and shall fix the Precept to be levied for the ensuing financial year and determine indicative precepts for the following two years.
- 3.5 The annual budget shall form the basis of financial control for the ensuing year.

4 BUDGETARY CONTROL AND AUTHORITY TO SPEND

- 4.1 The Town Clerk is authorised to seek tenders/quotations, place orders and make payments in accordance with the approved annual budget, the Council's policies, and these Financial Regulations. Where the annual budget identifies specific items for which no expenditure should be incurred without the express approval of the Council, the Clerk should refer proposed spending for approval before that spending is incurred. In all other cases, the Clerk is authorised to proceed without specific approval.
- 4.2 The RFO shall regularly provide the Council with a budget monitoring statement comparing actual expenditure against that planned for each approved budget head.
- 4.3 The Town Clerk may incur expenditure on behalf of the Council which is necessary to carry out any repair, replacement or other work which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure. Where there is no available budget, the Clerk shall, wherever possible, discuss the issue with the Chairman of the General Purposes Committee or, in their absence, the Vice Chairman or Town Mayor before incurring the expenditure. Where no or insufficient budget provision existed, the Town Clerk shall report the action to the Council as soon as practicable thereafter.
- 4.4 In general, unspent provisions in the revenue budget shall not be carried forward to a subsequent year. Where a budget has been agreed by the Council as a "rollover budget", then unspent amounts may be rolled-over into the subsequent financial year by making

use of a rollover reserve. This provision may also be used on a one-off basis for specific items, subject to agreement of the Council.

- 4.5 All expenditure and income of the Council shall be included within its revenue account unless a specific Council resolution has determined that it shall be treated as capital. Once such as resolution has been passed, no expenditure shall be incurred in relation to any such capital project and no contract entered into or tender accepted involving capital expenditure unless the Council is satisfied that the necessary funds are available, or the requisite borrowing approval has been obtained, to meet the full projected costs of the project.
- 4.6 All capital works shall be administered in accordance with the council's standing orders and financial regulations relating to contracts.
- 4.7 Changes in earmarked reserves, other than the rollover reserve, shall require approval by council.

 - b. Payments in respect of the Mayor's Charity Fund will not be included, but should be made available to any Member on request.
- 5.9 The Council acknowledges that the commitment to make a payment occurs at the time an order is placed or similar arrangement made, not at the time a payment itself is made. It does not, therefore, consider that excessive controls on payments which may hamper the efficient operation of the Council need to be applied, providing that adequate controls over ordering and reporting are in place in accordance with these regulations.
- 5.10 Payments may be made by way of cheque, direct debit, bank transfer, purchasing card, PayPal, internet banking, BACS or CHAPS, provided that:
