will involve the curbside collection of waste food for processing into biogas and biofertilizer. The waste contractor, Veolia, will undertake weekly collections in newly acquired vehicles operated by newly appointed and trained crews.

The Borough Council was working towards smooth implementation of service with food caddies delivered to more than 60,000 homes along with instructions on their use.

Councillor Jon Powell

Councillor Powell informed the Committee that the Borough Council's Economic Development and Planning Scrutiny Committee had discussed the Section 106 agreement process (established under Section 106 of the Town and Country Planning Act 1990) providing a legal mechanism for local planning authorities to require developers to provide certain benefits or contributions as a condition of granting planning permission. The process ensures new developments are acceptable in planning terms and do not negatively impact the local community and infrastructure.

Councillor Powell advised Councillors that planning officers had suggested it was advantageous to consider suitable community projects that could be funded (from Section 106 money) to improve leisure, education, green spaces etc. well ahead of time so they were ready and waiting when large planning applications were submitted.

The Committee had brought forward from the last meeting the review of the Council's Standing Orders.

A copy of the revised Standing Orders* had been enclosed with the agenda (electronic version) for the meeting.

The Town Clerk had previously advised the Committee that he was not proposing any changes other than updating the Procurement Act 2023 contract thresholds.

RESOLVED: That the revised Standing Orders are accepted.

GP26/147 Review of Financial Regulations

The Committee had brought forward from the last meeting the review of the Council's Financial Regulations.

A copy of the revised Financial Regulations* had been enclosed with agenda (electronic version) for the meeting.

The Town Clerk had previously advised the Committee that he was not proposing any changes other than updating the Procurement Act 2023 contract thresholds.

RESOLVED: That the updated Financial Regulations are accepted.

GP26/148 Neighbourhood Governance

The Committee considered a briefing paper received from Staffordshire Parish Councils' Association (who is joint working with West Midlands CALCs) on Neighbourhood Governance. An email from the County Executive of SPCA had been enclosed with the agenda for the meeting, along with a Neighbourhood Governance Pack, containing a Council briefing, template motion and template letter to the local MP.

* Items marked with an asterisk refer to reports or papers circulated with the agenda or distributed at the meeting. They are attached as an appendix to the signed copy of the Council minutes.

The Town Clerk advised the Committee that the concept of Neighbourhood Governance was one of the items referenced in the proposal documentation for Local Government Reorganisation. It was intended that when developed neighbourhood governance would provide a localised form of governance built in to the new authorities. One comment made was that neighbourhood governance would be put in place so that the new councils do not have to rely on Town and Parish Councils.

The Town Clerk informed the Committee that the purpose of this paper was to articulate the value of town and parish councils as a key link to their communities and the importance of them remaining strong players as the tier of local government closest to residents.

He explained that there was concern neighbourhood governance could replace town and parish councils, depending on how local government was restructured and implemented. No one yet knows what is going to happen or what is being proposed but concerns were based on the phrase 'not having to rely on town and parish councils'.

The Committee discussed the implications, although not knowing what was going to happen, anticipated that neighbourhood governance could be a kick in the teeth for democracy, with new unitary councils creating a greater distance between its residents and decision making.

The Committee expressed the desire to do everything possible to ensure local councils were maintained within the new structure for local government, while accepting that more detail was needed on how the responsibilities would be split.

RESOLVED: That the Committee supports use of the template and motion contained within the Neighbourhood Governance pack (as stated below) and asks the Town Clerk to write to Sir Gavin Williamson MP along the lines of the template letter enclosed.

RESOLVED: That the Committee resolves to:

1. Call on our local Member of Parliament to press the Secretary of State for Housing, Communities and Local Government to:
 - Ensure that parish and town councils are formally recognised as key partners within the emerging neighbourhood governance framework;
 - Guarantee that the forthcoming regulations and guidance clearly set out how parish and town councils will be integrated into neighbourhood governance structures;
 - Provide assurance that new neighbourhood governance arrangements will not duplicate functions or undermine the democratic legitimacy of parish and town councils.
2. Write to the MP enclosing this motion and requesting active lobbying on behalf of parish and town councils during the development of regulations under the English Devolution and Community Empowerment (EDCE) Bill.

* Items marked with an asterisk refer to reports or papers circulated with the agenda or distributed at the meeting. They are attached as an appendix to the signed copy of the Council minutes.

3. Engage with our principal authority to express the Council's expectation that parish and town councils be meaningfully involved in shaping local responses to the neighbourhood governance duty.
4. Publicly communicate this Council's position to residents, reaffirming our commitment to maintaining strong, local, democratic representation.

GP26/149 Data Protection Policy

The Committee considered a Data Protection Policy* drafted by the Town Clerk and enclosed with the agenda for the meeting.

The Town Clerk advised the Committee that he had reviewed the documents and had made a number of minor changes to improve clarity, change dates and reflect the change of title from 'Privacy Policy' to 'Data Protection Policy'

RESOLVED: That the Town Council adopt the Data Protection Policy.

GP26/150 Stone Community Hub Liaison Group

The Committee considered the terms of reference* for the Stone Community Hub Liaison Group which had been enclosed with the agenda for the meeting.

The Town Clerk advised the Committee that when the Group had last delivered its report, a number of issues had been raised regarding the role of the Community Hub and whether the Hub was carrying out the role as was intended when the group was set up.

As no documentation had previously been developed to outline the role of the Group, the Town Clerk had produced terms of reference in consultation with Stone Community Hub Liaison Group and some discussion with the Hub and its trustees.

The Town Clerk outlined the three ways in which the Town Council interacts with the Hub which have been taken into account with this Group:

- To provide support, as a public authority, of organisations providing services to vulnerable adults in the town.
- In offering grant aid and subsidising the rental of space within the Frank Jordan Centre. The Council has due diligence responsibility to ensure the grants are used properly and effectively and the Stone Community Hub Liaison Group undertake this duty on behalf of the Council.
- The landlord and tenant responsibilities between the Hub and the Town Council are not part of the remit of the Hub Liaison Group. This is a direct relationship between the Hub and the office, unless a matter of policy arises, which will come back to the General Purposes Committee.

The Committee welcomed the terms of reference and agreed the document provided clarity and a clear remit of what the Stone Community Hub Liaison Group can and cannot do.

RESOLVED: That the terms of reference for Stone Community Hub Liaison Group be accepted.

* Items marked with an asterisk refer to reports or papers circulated with the agenda or distributed at the meeting. They are attached as an appendix to the signed copy of the Council minutes.

GP26/151 Town Council Payments

RESOLVED: To note the list* of Town Council payments made during the period 1 to 28 February 2026.

GP26/152 Update from Working Groups:

Stone Heritage Centre Steering Group

The Chairman advised the Sub-Committee that a meeting had taken place with Joules Brewery who had agreed to move forward with planning applications for replacement signage at the heritage centre to include 'Stone Heritage Centre' so that people are able to identify the building as a heritage Centre rather than just 'Stone Fire Station'.

The Heritage Centre Manager is currently putting together a program of events and listings of what was going to be exhibited in the future.

GP26/153 To receive reports from Town Councillors on attendance at meetings of local organisations and outside bodies as a representative of the Town Council

Stone Area Parish Liaison Group

Councillor Davies was not available to deliver a report on this occasion.

Stone ATC

Councillor Davies was not available to deliver a report on this occasion.

Age Concern Stone & District

Councillor Thornicroft was not available to deliver a report on this occasion.

Stafford & District Access Group

Councillor Kelt advised the Committee that a meeting of Stafford & District Access Group took place on 23 March 2026. The discussion mainly related to access to the rugby club, legislation on electric bikes and scooters, and lack of information round bus stops and bus routes.

There was a suggestion (due to poor attendance levels) that there may be a need to wind the group down due to lack of interest. This matter will be discussed at the Annual General Meeting in June 2026.

Stone Common Plot Trustees

Councillor Kelt advised the Committee that no meeting of Stone Common Plot Trustees had taken place and that the Annual General Meeting would be held later in the month.

Stone Community Hub Liaison Group

No meeting has taken place since the last report of Stone Community Hub Liaison Group.

SPCA Executive Committee

Councillor Kelt informed the Committee that a meeting of the SPCA Executive Committee took place on 16 March where procedural matters were discussed. One major point of interest was that an agreement had been set up to engage professional planning advice for the benefit of members.

* Items marked with an asterisk refer to reports or papers circulated with the agenda or distributed at the meeting. They are attached as an appendix to the signed copy of the Council minutes.

West Midlands Railway and other Rail Matters

Councillor Kelt advised the Committee that a meeting had taken place on 26 March where new officers were welcomed to discuss the community rail partnership and progress on the rail network.

GP26/154 Exclusion of the Press and Public

To resolve, pursuant to the Public Bodies (Admission to Meetings) Act 1960, that the Public and Press be excluded from the meeting whilst the next items of business are discussed on the grounds that publicity would be prejudicial to public interest by reason of the confidential nature of the debate.

GP26/155 Confidential Minutes and recommendations of the undermentioned Sub-Committee:

- a) Estates Sub-Committee Meeting held on 17 March 2026, Minute Numbers: EST26/019 and EST26/029.

RESOLVED: To note the Minutes of the Estates Sub-Committee.

GP26/156 Staffing Matters

9 STONE COMMUNITY HUB LIAISON GROUP

PURPOSE

- 9.1 The Council has a number of interactions with the Stone Community Hub (the Hub) as follows:
- a. **As a public authority** seeking to support organisations within the town providing services to vulnerable residents.
 - b. **As a provider of grants** to the organisation, either in the form of “cash” grants or subsidised use of the Frank Jordan Centre, where the Council has a due diligence responsibility to ensure that those grants are being used properly and effectively.
 - c. **As the Hub’s landlord** at the Frank Jordan Centre.
- 9.2 The Hub is an important provider of services to vulnerable people in Stone. The purpose of the Liaison Group is to enable the Council to work closely with the Hub in order to achieve 9.1a and 9.1b above.
- 9.3 The Liaison Group has no role in respect of 9.1c above, which is the responsibility of the Town Clerk at an operational level and the General Purposes Committee at a policy level.

MEMBERSHIP AND APPOINTMENT

- 9.4 The Council’s representation on the Liaison Group shall consist of three members, drawn from the membership of the Town Council. These Councillor members shall be appointed by the General Purposes Committee at its meeting each May, and may be changed by that Committee at any time.
- 9.5 In addition to the above, the Town Mayor and Chairman of the General Purposes Committee shall be ex-officio members of the Liaison Group if not directly appointed in their own right.
- 9.6 The Town Clerk, or their representative, may attend the Liaison Group as an advisor but would not be part of the Group.
- 9.7 The Hub’s representatives would be as determined by the Hub.

CHAIRMAN AND VICE CHAIRMAN

- 9.8 There shall be no formal Chairman or Vice-Chairman of the Group, except as determined by the Group itself to facilitate the management of meetings.
- 9.9 The Council shall appoint one of its representatives as Group Coordinator for the purpose of reporting back to meetings of the General Purposes Committee.

QUORUM

9.10 As the Liaison Group has no decision making powers, there is no requirement for quoracy.

INVOLVEMENT OF COUNCILLORS WHO ARE NOT MEMBERS OF THE GROUP

9.11 Any member of the Council who is not a member of the Liaison Group may attend a meeting if agreed in advance with the appointed Group Coordinator.

9.12 Any Councillor who has a question or issue related to items within the remit of the Liaison Group should raise these in the first instance with the Liaison Group Coordinator. Where appropriate, the question/issue will be raised at the next Liaison Group meeting, and the Councillor raising the issue may be invited to attend.

9.13 The requirements of the Council's Code of Conduct will apply to all Councillors present at the meeting, whether members of the Liaison Group or not.

ATTENDANCE BY THE GENERAL PUBLIC

9.14 Meetings will not be open to the public.

FREQUENCY OF MEETINGS

9.15 The time, location and frequency of meetings will be agreed between the Hub and the Council's appointed Group Coordinator.

9.16 The calling of meetings, booking of venues, preparation of agendas and minutes etc. will not be undertaken by the Town Council's staff. Attendance of Town Council staff at the Liaison Group will be on an exceptional basis, if their knowledge and/or expertise may be required to inform the group's discussions.

Such recommendations will not be considered by the Committee without a full written report or detailed minutes circulated

10 WORKING GROUPS (ALL)

PURPOSE

- 10.1 The purpose of each Council working group is to give a level of in-depth consideration to specific issues beyond that which would normally be possible in larger forums such as a committee or sub-committee, and to make recommendations to their parent body (committee or sub-committee) accordingly.
- 10.2 In most cases, working groups should operate on a “task and finish” basis.

MEMBERSHIP AND APPOINTMENT

- 10.3 Working group numbers are not prescribed, but groups are unlikely to be effective with less than three or more than five members.
- 10.4 Working group members are appointed by the parent body that requires the in-depth consideration to be undertaken, and may be drawn from the membership of the Town Council. The Town Mayor and Chairman of the General Purposes Committee are ex-officio members of all working groups.
- 10.5 The working group or parent body may make recommendations for the co-option of non-Councillor members to the working group due to the particular expertise they are able to offer. All such appointments will require the approval of the General Purposes Committee, and all co-opted members will be required to comply with the Council’s code of conduct.

CHAIRMAN AND VICE CHAIRMAN

- 10.6 Working groups will determine their own chairmanship arrangements, and need not appoint a chairman or vice. The parent (sub-)committee will, however, identify a Councillor member of the group who is also a member of the parent body to act as the working group “co-ordinator”. This co-ordinator will have responsibility for arranging meetings and reporting back to the parent body on the work of the group.

QUORUM

- 10.7 As working groups have no decision making powers, there is no requirement for quoracy.

ATTENDANCE BY COUNCILLORS WHO ARE NOT MEMBERS OF THE WORKING GROUP

- 10.8 Any member of the Council who is not a member of a working group may attend a meeting and may speak on any item if invited by the group. Such a member should not take part in the formulation of the group’s recommendations.

- 10.9 The requirements of the Council's Code of Conduct will apply to everyone present at a meeting, whether members of the working group or not.

ATTENDANCE BY THE GENERAL PUBLIC

- 10.10 Working group meetings will not be open to the public.

FREQUENCY OF MEETINGS

- 10.11 Working groups will arrange their own meeting timetable, in order to meet any reporting requirements placed upon them by their parent body.

AGENDA AND PROCEEDINGS

- 10.12 The calling of meetings, booking of venues, preparation of agendas and minutes etc. will not be undertaken by the Town Council's staff. Attendance of Town Council staff at working groups will be on an exceptional basis, if their expertise may be required to inform the group's discussions.
- 10.13 There is no requirement for either a formal agenda or minutes, but if a working group wishes to prepare these it will be a matter for the group's members. Working group minutes will not form part of the official minutes of the Council.
- 10.14 The provisions of the Council's Standing Orders for Business shall not apply to meetings of working groups.

REPORTING

- 10.15 Working groups have no powers to make any decision or to act in any way on behalf of the Council.
- 10.16 At each meeting of its parent body, the working group co-ordinator will be expected to report on the work of the group, and to present any recommendations. Such recommendations will not be considered by the parent body without a full written report circulated with the meeting agenda and setting out the nature of the recommendations and their implications for the Council.

FUNCTIONS

- 10.17 The function of each working group is to give a level of in-depth consideration to specific issues beyond that which would normally be possible in larger forums such as a committee or sub-committee, and to make recommendations to their parent body accordingly.

RELATIONSHIP WITH OTHER WORKING GROUPS

- 10.18 Where the terms of reference of individual working groups may overlap, it is the responsibility of the parent body to provide clarification. Where the overlap applies to working groups appointed by different parent bodies this responsibility will fall to the General Purposes Committee.

Introduction

1. Following discussions with the Chairman of the General Purposes Committee and other Councillors including the current Chairman of the Estates Sub-Committee, it has been proposed that the Estates Sub-Committee should be dissolved.
2. This report considers that proposal and its consequences.

Background

3. Whilst the most recent meeting of the Estates Sub may have been an exception to the norm, business for the Sub-Committee has been limited for some time, with a significant number of meetings being cancelled as a result.
4. This has raised to question of whether there is a continuing need to operate a separate Estates Sub-Committee or whether its responsibilities should be absorbed by its parent Committee, the General Purposes Committee.
5. Beyond its primary role, there is only one additional duty relating to the Estates Sub-Committee specified in Council policies. This is where the Chairmen of Committees and Sub-Committees plus the Vice-Chairman of the General Purposes Committee make up the Complaints Sub-Committee. In my view, the removal of the Estates Sub-Committee Chairman from the Complaints Sub-Committee would not impact on its ability to operate successfully, and no replacement would be required.

Programme of Meetings

6. The dissolution of the Estates Sub-Committee would also offer an opportunity to streamline the Council's meeting schedule.
7. After considering the impact of removing the Estates Sub-Committee, a revised meetings timetable has been compiled based on the following principles:
 - a. One meeting night per month wherever possible, though this cannot be achieved in February due to the legal needs of the budget process nor in May due to the Annual Meeting. No meetings are programmed for August.
 - b. No change in the number of meetings held by the Council, Committees and other Sub-Committees.
 - c. No more than four meetings to be held on any one evening.

- d. No meeting to be held on evenings programmed for Stafford Borough Full Council or Cabinet meetings.
8. Attached to this report is a proposed revised meeting schedule for 2026-27, together with a copy of the current schedule and a summary of the proposed changes.
9. The revised meetings programme reduces the number of programmed meeting nights for 2026-27 from 17 to 13.

Conclusions

10. Based on the information above, there appear to be benefits from dissolving the Estates Sub-Committee with little adverse impact. It is thus suggested that the Committee follow this route.

Recommendations

11. The Committee is recommended to agree that:
 - a. The Estates Sub-Committee should be dissolved with immediate effect.
 - b. All current responsibilities of the Estates Sub-Committee should be absorbed into the General Purposes Committee.
 - c. The revised programme of meetings attached should be adopted for the remainder of the 2026-27 civic year.
